INDEX, VOLUME 141

A

A-B therapist "type" distinction and spatial orientation, 456
Ackerman, Peggy T., 419
Addiction Research Center Inventory (ARCH): Development of a general drug estimation scale, 300
Adolescent in Psychotherapy, The, 123
Adrenocortical activity, as related to anxiety, 549
Adrenocortical steroids, influence of, on severe cerebrovascular accidents, 291
Advances in Psychoanalysis: Contributions to Karen Horney's Holistic Approach, 126
Affective expression in manic-depressive reactions, 664
Agenesis of the corpus callosum and perception and learning, 180
Aggressive discharge and impairments in thinking, 61
Aggressive stimuli, subliminally presented, the effects of in a nonpsychiatric population, 443
Agoraphobia in the Light of Ego Psychology, 255
Allen, Francis A., 388
Almond, Richard, 68
Anality (and orality), an empirical analysis of, 308
Anality, conceptions of, 155
Anatomie du Système Nerveux Central, 130
Anderson, Luleen S., 161
Anorexia nervosa and its differential diagnosis, 555
Antidepressant medications and hospitalized mental patients: A survey of published reports, 231
Anxiety, defensiveness and 17-hydroxycorticosteroid excretion, 549
Anxiety, the effect of morphine, chlorpromazine, pentobarbital and placebo on, 540
Aphasia, sensory, a particular syndrome of, 42
Application of verbal behavior analysis to the study of psychological defense mechanisms, 172, 658
Aring, Charles D., 497
Aronson, H., 172
Ashem, B., 180
Assimilation of new members into problem-solving groups of patients, 371
Astrup, C., 468
Atrophy of the brain and assessment of intellectual deterioration of the Wechsler Adult Intelligence Scale, 119
Autonomic and motor conditioning in dogs, 419

B

Barker, Patricia M., 385
Bassan, Marvin I., 540
Baxter, James C., 567
Becker, Joseph, 359, 664
Begelman, D. A., 598
Behavior
  in relation to neurophysiology, 145
  litter patterns in the offspring of nervous and stable dogs, 321
  verbal behavior associated with psychological defense mechanisms, 172
Belmont, Ira, 410
Bender, Morris B., 130
Benne, K. D., 490
Berg, Paul S. D., 651
Bilateral chemosurgery, 404
Bilateral cryosurgery, 404
Birch, Herbert G., 410
Blair, Donald, 123
Blindness, lifelong, eye movements during emergent stage 1 EEG in subjects with, 365
Body-ego technique: An approach to the schizophrenic patient, 53
Borderland of Criminal Justice, The: Essays in Law and Criminology, 388
Borgman, Robert, 664
Bourret, P., 130
Bradford, L. P., 490
Brain
  atrophy of and assessment of intellectual deterioration on the Wechsler Adult Intelligence Scale, 119
  cerebral thromboses and emboli, 293
  consciousness in a cerebral universe, 148
  disordering of intersensory and intrasensory integration by brain damage, 410
  relationships of agenesis of the corpus callosum to perception and learning, 180
  self-stimulation and cortical seizure activity, 204
  severe cerebrovascular accidents, the influence of adrenocortical steroids on, 291
  succinic dehydrogenase activity in the brains of the wabbler-lethal and jimpy mice, 432
  verbal and nonverbal test performances of patients with brain tumors, 517
Bruch, Hilde, 555
Buckle, Donald, 128
Byrne, Joseph, 365

C

Canine Behavior, 384
Capillary microscopy, nailfold capillaries in normal children, 197
Carlin, Al, 371
Carlson, Arthur R., 359

Carson, Robert C., 456
Carter, Robert, 507
Cattell's factor domain, 31
Cerebral universe: I, 1
Cerebral universe: II, 135
Characterologic diagnosis, and first memories, 318
Charcot, Jean-Marie, and hysteria, 505
Chemotherapy—see psychopharmacology
Chessick, Richard D., 540
Childhood and Society, 131
Child-rearing attitudes and disciplinary fantasies of parents of schizophrenics, 567
Children
  determination of psychiatric impairment in, 333
  disturbed, communicative value of parental speech in families with, 359
  schizophrenic, attitudes and disciplinary fantasies of parents of, 567
  various aspects of the drop-out problem, 395
Chlordiazepoxide, EEG activation of patients receiving, 100
Chlorpromazine, effect on anxiety, 540
Clark, Robert K., 540
Cobb, Stanley, 609
Coles, Robert, 274
College, men's, epidemiology of emotional disturbance in, 240
Communicative value of parental speech in families with disturbed children, 359
Community Mental Health Center, The. An Analysis of Existing Models, 251
Conceptions of orality and anality, 155
Cooper, Irving S., 403
Corpus callosum, agenesis of, and its relationship to perception and learning, 180
Crisis theory and treatment strategy: Some sociocultural and psychodynamic considerations, 209
Cross-cultural inquiry: Symptom and defense in contemporary Greece, 478
Culture, man and the origin of his, 6
Curtis, Robin L., 432
Cystathionine, the absence of from brain tissue, 285

D

Daube, J. R., 524
Davis, Winborn E., 251
Defense mechanisms and verbal behavior, 172
Defense mechanisms, psychological, the application of verbal behavior analysis to, 658
Defensiveness, anxiety and 17-hydroxycorticosteroid excretion, 549
DE scale—see General Drug Control-Estimation Scale
Denney, Duane, 474
Denny-Brown, Derek, 502
Determination of psychiatric impairment in children, 333
Disordering of intersensory and intrasensory integration by brain damage, 410
Disturbances of the verbal body image: A particular syndrome of sensory aphasia, 42
Dogs, litter patterns in the offspring of nervous and stable, 321, 419
Dosage deviation and drug effects in drug trials, 95
Dreaming
  biological significance of, 644
  neural events underlying, 636
  sensory filtering during, 636
Dreams and hallucinations, a neurophysiologic model of, 623
Drop-out problem, various aspects of (editorial), 395
Drug effects and dosage deviation in drug trials, 95
Drugs—see psychopharmacology or specific drug name
Dykman, Roscoe A., 321, 419

E

EEG—see electroencephalography
Effect of morphine, chlorpromazine, pentobarbital and placebo on anxiety, 540
Effects of the blocking of aggressive discharge on the thought processes, 61
Ehrenwalk, Jan, 125
Eichler, Myron, 658
Eissler, Ruth S., 125
Electroencephalography (EEG)
  association between seizure activity and intracranial self-stimulation, 204
  EEG activation of patients receiving phenothiazines and chlordiazepoxide, 100
  eye movements of blind subjects associated with, 365
Electromyographie, 130
Electrophysiology and Alexander Forbes, 609
Emil Kraepelin, 16
Emotional disturbance, epidemiology of, in a men's college, 240
Emotional factors in prenatal environment, 108
Empirical analysis of orality and anality, 308
Epidemiology of emotional disturbance in a men's college, 240
Epilepsy
  effects of phenothiazines and chlordiazepoxide on, 100
  seizures, in relation to phenylketonuria, 436
  self-stimulation and cortical seizure activity, 204
  sensory precipitated seizures, 524
Erikson, Eric H., 131
Esser, Aristide H., 68
Evaluation of Psychiatric Treatment, The, 491

Evolution
of signalling mechanisms, 139
of vertebrate brains, 9
Eye movements during emergent stage 1 EEG in subjects with lifelong blindness, 365

F

Families, communicative value of parental speech in, with disturbed children, 359
Families of schizophrenic patients, resolution of intrafamilial role conflict in, 342
Ferreira, Antonio J., 108
First memories and characterologic diagnosis, 318
Fisher, Charles, 365
Fisher, Seymour, 95
Foley, A. R., 251
Forbes, Alexander, 609
Forstenzer, H. M., 251
Fox, M. W., 384
Freud, a critique of Erich Fromm's attacks upon the Oedipus Complex, 580
Freud, Anna, 125
Friedman, Stanford B., 549
Fromm, Erich, a critique of his attacks on the Oedipus Complex, 580
Further data on the relationship between aggressive drive activation and impairments in thinking, 61

G

Geertsma, Robert H., 29
General Drug Control-Estimation Scale, 300
Genetics, haptoglobin subtypes and schizophrenia, 195
Gerstmann's Syndrome, 50
Gibb, J. R., 490
Glasscote, R. M., 251
Godenne, Ghislaine D., 670
Goertzel, Victor, 53
Goldman, Jacquelin, 678
Gordon Holmes, Sir, 497, 502
Gottheil, Edward, 155, 308
Goulding, Robert, 100
Greece, a cross-cultural inquiry, 478
Greenblatt, Milton, 231
Gross, Joseph, 365
Grosser, George H., 231

H

Haertzen, Charles A., 300
Hammer, Morton, 540
Hallucinations and dreams, a neurophysiologic model of, 623
Handlon, Joseph H., 684
Haptoglobin subtypes in a schizophrenic and control population, 195
Harman, Pinckney J., 432
Hartman, Heinz, 125
Havens, Leston L., 16, 505
Heber, Rick, 129
Hemiplegia, 410
Henderson, Sir David (tribute to), 263
Hernández-Peón, Raúl, 623
Herron, J. T., 42
Hishikawa, Yasuo, 436
Hoch, Paul H., 491
Holmes, Donald J., 123
Holmes, Sir Gordon (a tribute to), 497, 502
Homocystinuria and schizophrenia, 285
Horowitz, Mardi J., 615
Hysteria and Charcot, 505, 511
Hysterical pseudostupors, recurring, report of a case of, 670

I

Ida, Hidenobu, 436
Influence of adrenocortical steroids on severe cerebrovascular accidents, 291
Institutionalization, some perceptual correlates of, 651
Intellectual deterioration and brain atrophy as assessed on the Wechsler Adult Intelligence Scale, 119
Isch, Francois, 130
Is psychiatric hospitalization obsolete?, 378

J

Jacobs, Martin A., 161
Jacobson, Gerald F., 209
Jaffe, J. R., 463
John, Audrey L., 128

K

Kakimoto, Yasuo, 436
Kaneko, Ziro, 436
Kantor, Robert, 651
Karp, Eric, 410
Karush, Nathaniel, 161
Kaspar, Joseph C., 385
Kelman, Harold, 126
Khan, Mariam G., 333
Klein, Barbara L., 333
Kleine-Levin syndrome, 670
Knapp, Peter H., 161
Knight, James A., 251
Koskoff, Yale D., 132
Kraepelin, Emil, (a discussion of his work), 16
Kraepelin, Emil, his relationship to Charcot, 506
Kramer, Morton D., 100
Kraus, J., 119
Kris, Marianne, 125
Kubie, Lawrence S., 263, 265, 395

L

Lack of suggestion effects on perceptual isolation (sensory deprivation) phenomena, 190
Langs, Robert J., 318
Learning, relationships of agenesis of the corpus callosum to, 180
Lehrbuch der Neurologie, 130
Leite-Ribeiro, Maria O., 128
Lerner, Paul M., 342
Levita, Eric, 403
Lipman, Ronald S., 95
Litter patterns in the offspring of nervous and stable dogs. I: Behavioral tests, 321
Litter patterns in the offspring of nervous and stable dogs: II. Autonomic and motor conditioning, 419
Louis, R., 130
Lovegrove, T. D., 195
Low metrazol threshold in the heterozygotes of phenylketonuria, 436
LSD effects on the Addiction Research Center Inventory, 300
LSD-25, 318

M

MacDonald, W. Scott, 371
Malmud Sands rating scale, used with epileptic patients, 102
Manic-depressive reactions, affective expression in, 664
Manual for the Comprehensive Community Mental Health Clinic, 251
Margulies, A. I., 180
Marieq, Hildegard Rand, 197
Mason, John W., 549
Maternal influences on the fetus, 108
May, Philip R. A., 53
McFarland, Robert L., 540
McGuire, Michael T., 83, 219
Mechanick, Philip, 378
Medical illness and patients' attitudes: Somatopsychic relationships, 678
Meissner, Rosalie, 161
Memories, first, and characterologic diagnosis, 318
Mental Health: The Community Mental Health Center; Manual for the Comprehensive Community Mental Health Clinic, 251
Mental illness concept, two criticisms of, 598
Mental Retardation: A Review of Research, 129
Methionine, metabolism of, in a schizophrenic patient, 285
Metrazol, a low threshold in the heterozygotes of phenylketonuria, 436
Mice, wabbler-lethal and jimpy, succinic dehydrogenase activity in the brains of, 432
Mind-body problem, 1
Mock, John, 95
Modern Drugs for the Treatment of Mental Illness, 123
Monroe, Russell R., 100
Morphine, effect on anxiety, 540
Multiple therapists in the teaching of psychiatric residents, 684
Murphree, Oddist D., 321, 419

N

Nailfold capillaries in normal children, 197
Nakai, Kenji, 436
Nathan, Robert J., 378
Negroes
  ontogeny of racial prejudice, 265
  social research in the South, 274
  Who Speaks for the Negro? 251
Nervous system
  electric signs of synaptic events, 142
  form and content in the operations of, 135
  structural facets of neural organization, 137
Neurology, the contributions of Sir Gordon Holmes to, 497, 502
Neurophysiologic model of dreams and hallucinations, 623
Neuroses, systematic desensitization therapy in the treatment of, 463
Neurosis in the Family and Patterns of Psychosocial Defense, 125
New Dimensions in Psychosomatic Medicine, 605
Nicholls, D. M., 195
No Language But a Cry, 133
Nonlinear and additive methods for long-term prognosis in the functional psychoses, 468
Nurse in Mental Health Practice, The, 128

O

Observation or participation: The problem of psychiatric research on social issues, 274
Oculomotor System, The, 130
Oedipus Complex, a critique of Erich Fromm's attacks upon, 580
O'Leary, James L., 1, 135
Ontogeny of racial prejudice, the, 265
Opiate addicts, 300
Oral frustration, relationship with heavy cigarette smoking in males, 161
Orality (and anality), an empirical analysis of, 308
Orality, conceptions of, 155
Oskamp, Stuart, 190

P

Parieto-temporo-occipital (PTO) cortex, lesions of,
  alterations of body image in, 49
  finger agnosia and finger aphasia in, 49

Gerstmann's Syndrome, 50
symptomatology of, 42
Park, Lee C., 95
Parker, Joseph B., 664
Parkinson's disease, psychological effects of bilateral subcortical surgery for, 403
Pattison, E. Mansell, 586
Pentobarbital, effect on anxiety, 540
Perception (and learning), relationships of agenesis of the corpus callosum to, 180
Perceptual correlates of institutionalization, 651
Perceptual isolation as affected by lack of suggestion, 190
Phenothiazines, EEG activation of patients receiving, 100
Phenylketonuria, a low metrazol threshold in the heterozygotes of, 436
Pictorial cognition using the dot-image sequence, 615
Plato, 505
Prejudice, racial, the ontogeny of, 265
Prematurity and emotional conflicts, 110
Prenatal environment, emotional factors in, 108
Preparatory set in acute schizophrenia, 352
Prison inmates, some perceptual correlates of, 652
Process of short-term insight psychotherapy: I, 83
Process of short-term insight psychotherapy. II: Content, expectations and structure, 219
Psychiatry
assimilation of new members into problem-solving groups of patients, 371
crisis therapy: some sociocultural and psychodynamic considerations, 209
determination of psychiatric impairment in children, 333
hospitalization, psychiatric, is it obsolete?, 378
multiple therapists in the teaching of psychiatric residents, 684
out-patient treatment: special problems, 210
problem of psychiatric research on social issues, 274
psychodynamic considerations, 211
record keeping system for a psychiatric consultation service, 474
technique for measuring social contact on a psychiatric ward (tablemate choices), 68
Psychiatry and Medical Practice in a General Hospital, 491
Psychoanalysis
conceptions of orality and anality, 155
empirical analysis of orality and anality, 308
Psychoanalytic Study of the Child, The, Vol. 18, 125
Psychological effects of bilateral subcortical surgery for Parkinson's disease, 403
Psychopharmacology
adrenocortical activity (17-OH-CS excretion), as related to anxiety and defensiveness, 549
adrenocortical steroids, influence of, on severe cerebrovascular accidents, 291
antidepressant medications and hospitalized mental patients, 231
development of a general drug estimation scale, 300
dexamethasone, its effect on cerebral thromboses and emboli, 293
dosage deviation and drug effects in drug trials, 95
physiological effects of drugs (morphine, chlorpromazine and pentobarbital) and anxiety, 546
Psychoses, functional, nonlinear and additive methods for long-term prognosis in, 468
Psychotherapy
process of short-term insight psychotherapy: I, 83
process of short-term insight psychotherapy. II: Content, expectations and structure, 219
social and psychological aspects of religion in, 586
two types of therapists and improvement rates in schizophrenic patients, 456
use of multiple therapists in the teaching of psychiatric residents, 684

R

Racial prejudice, the ontogeny of, 265
Record keeping system for a psychiatric consultation service, 474
Reivich, Ronald S., 29
Relationship of oral frustration factors with heavy cigarette smoking in males, 161
Relationships of agenesis of the corpus callosum to perception and learning, 180
Religion, social and psychological aspects of in psychotherapy, 586
Repetitive self-observation by videotape playback, 29
Report of a case of recurring hysterical pseudostupors, 670
Research evaluating antidepressant medications on hospitalized mental patients, 231
Resolution of intrafamiliar role conflict in families of schizophrenic patients. I: Thought disturbance, 342
Richman, Stephen J., 161
Rickels, Karl, 95
Riklan, Manuel, 403
Rosenthal, David, 352
Rubinstein, Morton K., 291

S

Salkin, Jeri, 53
Sampson, H., 605
Sanders, David H., 371

Sanders, D. S., 251
Sano, Isamu, 436
Scheid, Werner, 130
Schimke, R. Neil, 285
Schizophrenia
  body-ego technique, an approach to the schizophrenic patient, 53
  child-rearing attitudes and disciplinary fantasies of parents of schizophrenics, 567
  haptoglobin subtypes in a schizophrenic and control population, 195
  in a patient with a defect in methionine metabolism, 285
  nailfold capillaries in normal children (as opposed to schizophrenic children), 197
  perceptual correlates of, 651
  preparatory set in acute schizophrenia, 352
  resolution of intrafamilial role conflict in families of schizophrenic patients. I: Thought disturbance, 342
  two types of therapists and improvement rates in schizophrenic patients, 456
  visual imagery and the schizophrenic patient, 615
Schizophrenic Women: Studies in Marital Crisis, 605
Schoelly, Marie-Louise, 333
Schoenfeld, C. G., 580
Schoop, Trudi, 53
Schulman, Jerome L., 385
Schwab, John J., 678
Schwartz, Melvin S., 333
Segal, Bernard E., 240
Selecki, B. R., 42, 119
Self-observation, repetitive, by videotape playback, 29
Self-stimulation and cortical seizure activity, 204
Sensory aphasia, a particular syndrome of, 42
Sensory deprivation as affected by lack of suggestion, 190
Sensory precipitated seizures: A review, 524
Shafar, Susan, 463
Sherwin, Albert C., 333
Shoemaker, Robert J., 132
Short, Ronald R., 190
Shows, W. Derek, 456
Silverman, Julian, 651
Silverman, Lloyd H., 61, 443
Skinner, James C., 478
Sleep
  dualistic theory of, 626
  induced by central chemical stimulation, 624
  induced by central electrical stimulation, 623
  monistic theory of, 629
Smith, Bert Kruger, 133
Smith, Aaron, 517
Smoking, its effect upon fetus, 110
Smoking, relationship of oral frustration factors with, 161
Social and psychological aspects of religion in psychotheraphy, 586
Social contact of psychiatric patients, a technique for measuring (tablemate choices), 68
Social psychiatry, 274
Socio-cultural differentiation of task and role, 591
Sociopathic behavior, speech pattern associated with, 658
Sokol, Robert, 240
Solursh, L. P., 180
Somatopsychic relationships, 678
Spatial orientation and the A-B therapist "type", 456
Speech, parental, the communicative value of, in families with disturbed children, 359
Speech pattern associated with delusional behavior, 172
Speech patterns associated with sociopathic behavior, 658
Spielberger, Charles D., 664
Spiritual and psychological goals in psychotherapy, 588
